#### Adaptability

How did you acquire it? What did it result in?

### SUMMARY

**MERN STACK DEVELOPER** Passionate and creative MERN Stack Developer with a flair for crafting intuitive and dynamic web applications. Skilled in harnessing the power of MongoDB, Express.js, React, and Node.js to build seamless and engaging digital experiences. Adept at transforming complex requirements into elegant, user-friendly solutions. Known for a keen eye for detail, a collaborative spirit, and a relentless drive for innovation. Enthusiastic about pushing the boundaries of technology and continuously learning to bring fresh, cutting-edge ideas to every project.

### EXPERIENCE

#### Mern Stack developer

PNY Training Institute

01/2023 - 12/2023 Lahore

- Develop and execute comprehensive marketing strategies and campaigns that align with the company's goals and objectives
- Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment
- Monitor brand consistency across marketing channels and materials

### EDUCATION

#### Bs Computer Science

University of narowal

01/2020 - 01/2024 Narowal

#### Mern Stack Developer

Pny institute

01/2023 - 12/2023 Lahore

### PROJECTS

#### Carrier Connect Narowal

03/2024 - 07/2024 Narowal

Our final year project is a platform connecting employers and job seekers. It facilitates job postings, application tracking, and profile management, streamlining the hiring process for a user-friendly experience.

- What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)

#### OIX Clone

03/2023 - 04/2023 Narowal

A Olx clone website mimics the official Olx site, featuring a user-friendly interface, menu browsing, online buying, and a store locator. This practice project enhances web development skills in frontend design, user experience, and backend integration.
